

HANNUKAH O HANUKKAH

Traditional Words and Tune

Chords by ELEG for SBWE

Hanukkah O Hanukkah, come light the menorah

Let's have a party, we'll all dance the hora

Gather round the table, we'll give you a treat

Dreidels to play with and latkes to eat

And while we are playing

The candles are burning low

One for each night, they shed a sweet light

To remind us of days long ago

One for each night, they shed a sweet light

To remind us of days long ago
