

WHO IS ON THE UNITED STATES MONEY SONG

Sing to the Tune of the Can-Can

Words by Emily Leatha Everson Gleichenhaus

Lincoln is on the penny
Jefferson is on the nickel
Roosevelt is on the dime
George Washington is on the quarter

JFK and Ben half dollars
And the dollar coins are graced by
Eisenhower, Anthony and Sacagawea

And the dollar
It has George Washington
And the five bill
It has Abe Lincoln

And the ten has
Alexander Hamilton
And the twenty
Andrew Jackson

US Grant is on the Fifty
And one hundred has Ben Franklin
These are most the monies made by our United States
