

IT IS FALL, IT IS FALL, IT IS FALL  
*ELEG for SBWE*  
*Sing to the tune of LET IT SNOW*

Oh the leaves on the trees are changing  
Their colors rearranging  
The show is beautiful  
It is Fall, it is Fall, it is Fall

We take a walk in the woods  
Autumn sun and fresh air  
Leaves crunching underfoot  
Bent branches already bare

Oh the weather outside is delightful  
And nature sings a recital  
Of color and shape and smell  
It is Fall, it is Fall, it is Fall
