

# RUBY THE RED NOSE REINDEER

*Words by Emily Gleichenhaus*

*Music by Johnny Marks*

*Chords Arranged by ELEG for SBWE*

You know Rudolph the Reindeer

His blazing red nose

He has a sister

Not everyone knows

But then when you do

You fall in love with her, too

Ruby the red nose reindeer

Has a very shiny nose

And it is always helpful

Every single place she goes

Ruby has lots of dear pals

She's a very friendly doe

She's always there to help them

Her nose glows just like a rose

Like the night her friend got lost

In the cold dark woods

Ruby came to light the way

For Red Riding Hood

Red Riding Hood got home safely

Thanks to Ruby's gleaming schnoz

Red said to Ruby, "Thank you!

I love you just like Santa Claus."

"I love you just like Santa Claus."
