

FUNNY TURKEY: THE TURKEY IS A VERY FUNNY BIRD

Words by Emily Gleichenhaus for Sing Books with Emily

Oh, the turkey is a funny looking bird
You might think that she's a little bit absurd
Ben Franklin was a fan
He wanted you to understand
The turkey is the bird that he preferred

Wild turkeys can fly up to the trees
They perch in trees at night so they can sleep
It's like a safety zone
When to trees at night they've flown
In the morning they just spread their wings and leap

It's a snood, that thing that dangles from her head
When she gets excited, it turns red
As she goes about her day
That thing must get in the way
I asked her, but, "Gobble" was all she said

Gobble gobble gobble gobble gobble gobble
Gobble gobble gobble gobble gobble gobble
Gobble gobble gobble gobble
Gobble gobble gobble gobble
Gobble gobble gobble gobble gobble gobble
