

Bridges Connect and Bring the World Together
A sing along musical interlude by Emily Gleichenhaus

C
A bridge can be made
G
Of many different things
C
But its job is always the same
G C
To make a way for crossing

Bridges connect
G
Bridges connect
C
Bridges connect
G C
They bring the world together

(You can choose to repeat this refrain a second time or not)

C
Bridges connect
G
Bridges connect
C
Bridges connect
G C
They bring the world together
