

## I BELIEVE IN MUSIC

Words and Music by Mac Davis

Adapted by ELEG for SBWE

*Fist note is E*

C Dm  
I could just sit around making music all day long  
G C G C  
As long as I'm making music, I won't do anybody wrong  
C Dm  
And who knows, maybe someday, I'll come up with a song  
G  
To make people stop fussing and fighting  
C G C  
Long enough to sing along

### [CHORUS 1]

C Dm  
Music is love and love is music if you know what I mean  
G C G C  
People who believe in music are the happiest people I've ever seen  
C Dm  
So clap your hands and stomp your feet and shake those tambourines  
G  
Lift your voices to the sky  
C G C  
It's wonderful to sing

### [CHORUS1]

So take your sister by the hand and come along with me
