

FIREFLY FETE

Words Tune Chords & Art by Emily Gleichenhaus

First note is D

The sun is set

Bats flutter by

Now to watch the fancy fete

Of the fire flies

CHORUS

Winking blinking

Twinkle glow

I wonder what they are thinking

As they perform their show

CHORUS

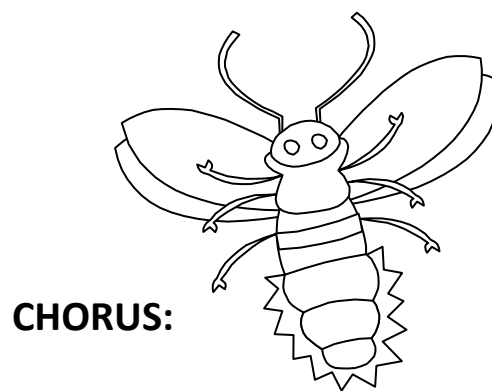

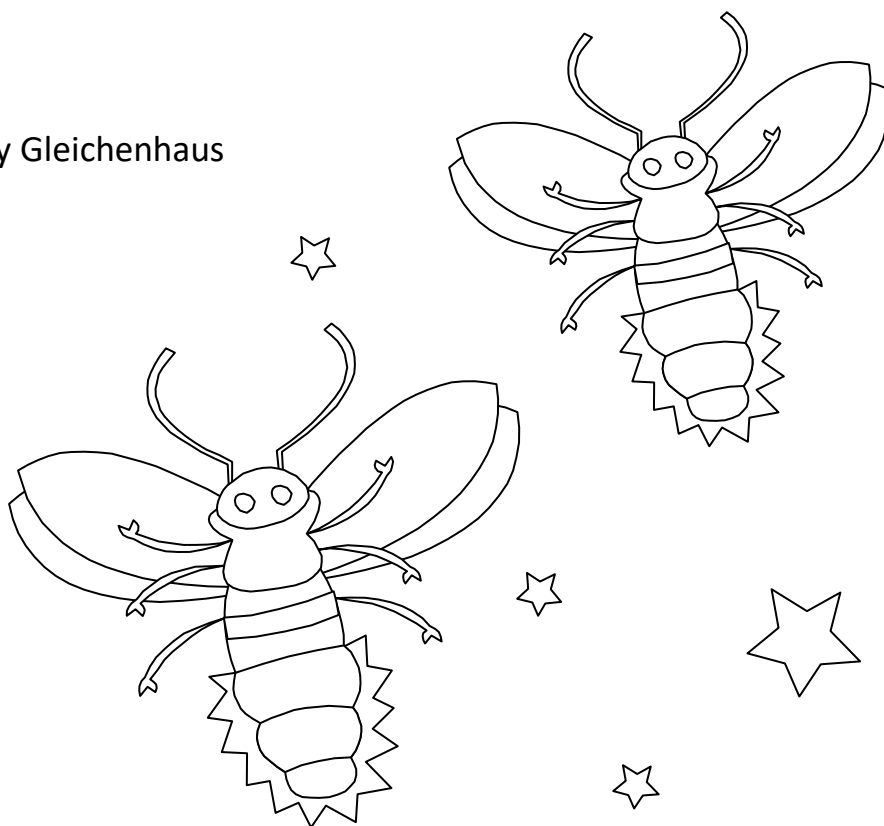

Up in the tree

They shimmer on

The magic waltz they dance with glee

Until the break of dawn

CHORUS

CHORUS:

**Firefly sparkles
Fantastic light
Glimmer and shine
Through all the night**
