Original Words by George Leybourne

Additional Words by Emily Gleichenhaus

Music by Gaston Lyle

First note is D

He floats through the air with the greatest of ease

The daring young man on the flying trapeze

His movements are graceful, the crowd he does please

Ovations are given to him

The band plays a song as he swings from the bar

He flies to the top and catches a star

He flips and he twirls like the lid of a jar

Tomorrow he'll do it again

He floats through the air with the greatest of ease

The daring young man on the flying trapeze

His movements are graceful, the crowd he does please

Ovations were given to him
